

Page 10, line 13, cancel "copending application Serial No. 07/876,350, now"; and in line 14, after "Patent No." insert -- 5,344,718 -- (and cancel the underlining in the blank space thereunder).

Page 10, line 26, cancel "copending application Serial No. 07/876,350" and insert therefor -- U.S. Patent No. 5,344,718 --.

Page 11, line 8, in the blank space after "No." insert (with cancellation of the underlining in the blank space) -- 08/102,585 -- .

Page 13, line 6, cancel "On" and insert therefor -- In --.

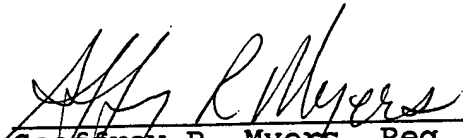

Page 28, line 7, in the blank space (with cancellation of the underlining thereunder) insert -- 08/102,585 -- .

REMARKS

Entrance of this Preliminary Amendment prior to examination is respectfully requested. The amendment updates the specification. No new matter is added.

Attached hereto is a Terminal Disclaimer so as to avoid any issue of double patenting arising regarding issued U.S. Patent No. 5,376,455.

Respectfully submitted,

Geoffrey R. Myers, Reg. #24,897
Attorney for Applicants
